Whew! What a week! The 100<sup>th</sup> day, President's Day, Valentine's Day, AND conferences!!! THANK YOU for making it a success!!

Student led conferences are TODAY!! Your child will be leading you through centers in our classroom. Ask him/her questions and get to know how he/she spends their time during our day! ☺ The timing is very flexible! Families will be coming and going... Childcare for your other children is available in the library so that you can enjoy this special time with your child.

February 16-19

Monday-NO SCHOOL—President's Day

Tuesday- We are beginning a unit on health. Today we will be making a list of things we can do to stay healthy. We're also reviewing addition and subtraction during our math time. (Gym day)

Wednesday- We will be opening a hospital in our dramatic play area. Feel free to send items from home for us to use! Ask your child about Curious George going to the dentist and the crocodile and the dentist! ☺ (Gym day)

Thursday- We have been practicing the VOWAC cues at school and hope that you are practicing at home, too. These cues are used in the first grade curriculum. We are also learning Visual Phonics, which also reinforces the letter sounds. We are going to be focusing on hand washing!!! Ask your child about our activity with germs. (Music, Library day)

Friday- Exercise keeps you healthy is our focus today! We'll have genius hour this afternoon....ask your child about it!! (Gym day)

**Snack:** Please send snack for 17 children.
