

Kindergarten News

from Mrs. Liester

Our **100th day of school** will be Thursday (weather permitting of course)!!! **We'll be celebrating all week!!** 😊 Thanks for sending your child's portion of our special snack and other things they will need to make this coming week extra special!!

Valentine's Day is coming soon. If you would like to purchase a bag of **conversation hearts** for our classroom, we would be grateful! We'll use them for graphing and for bingo pieces. 😊 Send them any time on or before next Friday, February 5. Our classroom will open a Post Office on Wednesday and your child will be delivering their mail (aka Valentines). You may include a treat if you would like. Please check your child's backpack today for information! 😊

Student led conferences are Thursday, February 11. Your child's scheduled time is in his/her backpack today. This schedule is VERY flexible. If the assigned time does not work for you, another time can easily be arranged. Since your child will be leading the conference, you will be spending various amounts of time in our classroom, and other conferences may be going on in our room at the same time you are here. If you get done in another classroom ahead of schedule, come on in and get started! I will be stopping at your table at some point during the conference, but if you would like to speak with me privately, please let me know. We can arrange a time. There will be childcare available for your other children so that this can be a special time for you and your child.
