

Kindergarten News

from Mrs. Liester

What a great week! We danced with Phil Baker! We learned about Laura Ingalls! We read Dr. Seuss books!! And we spent today learning about our great state! 😊

SHOW AND TELL is Monday!! Please help your child prepare for this as they will need to report to the class: "Today for show and tell I brought..... One thing I like about it is..... because....." Anything else I like about it? Simple conclusion (ex: I love my bear.).

We're going to the Children's Museum! 😊 Wednesday, April 20 we will spend the day in Brookings!

March 7-11

Monday—Show and Tell today. 😊 We'll soon be learning about coins and their value. (Gym day)

Tuesday— AR books will be coming home this week. Your child can read these books, or you can read them to your child. The goal is to make sure they are comprehending the story....talk about what happens at the beginning, middle and end of the story. Who are the characters in the story? What is the setting? When the book comes back to school on the next school day, your child will be tested online. (Music day)

Wednesday—We'll be reading a poem about kites....focusing on reading and spelling the color words. (Wheel Wednesday)

Thursday—We write every day! Ask your child to write about their favorite part of kindergarten! 😊 (Gym, Library day)

Friday—I am working on assessing 3rd quarter progress!! (Music day)

Snack: Monday—Tasia Tuesday--Blake

Wednesday—Bence Thursday--Chloe Friday—Blair
